Hi David!

I am writing to request a meeting with the Councilman and McDonald's regarding the proposal to increase the city-wide minimum wage. On our end, we would bring several owner/operators from the City and his district, as well as the Western Division Government Relations Director for McDonald's.

We would like to discuss the impact to the company as well as offer some solutions to mitigate the impact. Is he available to meet with us sometime in January? Many thanks for your consideration!

Veronica

Hi guys! Hoping we can reschedule our McD's meeting we have on calendar for this week. We decided that we need to work harder to come up with some mitigations to offer to make the increase more palatable, rather than just fighting this thing head on. We need a little more time to do that. Can I get back to you early next week to get something on calendar?
